

FRIDAY 11. OCTOBER

JOIN US FOR A NIGHT OF

BLOOD & BOOZE

Learn to Create Stunning Halloween Horror Makeup

Are you ready to transform your Halloween look into something truly terrifying? Join us for "Blood & Booze," a night where you'll dive into the art of horror makeup, paired perfectly with a selection of drinks to enhance your creativity.

What to Expect:

Hands-On Makeup Techniques: Discover how to craft incredible Halloween horror looks using wax, latex, and a variety of special effects. Whether you're aiming for a gruesome zombie or a chilling ghoul, I'll guide you through each step to achieve realistic and jaw-dropping results.

Special Effects Insights: Learn how to use everyday items and specialized materials to create scars, wounds, and other spine-chilling effects that will make your costume the talk of the town.

Social and Fun Atmosphere: Sip on your favorite drinks as you learn and practice these techniques in a relaxed, enjoyable environment. It's the perfect combination of learning and socializing.

Who Am I?

I'm passionate about horror makeup and have honed my skills through countless hours of practice and experimentation. While I'm not a professional makeup artist, I'm excited to share my knowledge and tips with you to help you elevate your Halloween look.

Seats are limited, so RSVP today!
Looking forward to seeing you there!
